

INFORMATION ABOUT [NORTHWEST HARVEST](#)

The **mission of Northwest Harvest** is leading the fight for hungry people statewide to have access to nutritious food while respecting their dignity and promoting good health. Our vision is ending hunger in Washington.

Northwest Harvest is the only nonprofit food bank distributor operating statewide in Washington with a network of 375 food banks, meal programs and high-need schools. Through this network, we provide nearly 2 million meals every month.

We are committed to nutrition. Northwest Harvest has decades of experience in promoting healthy eating while reducing hunger. We uphold high standards and ensure our supply of nutritious, in-demand products by purchasing a significant share of our food directly. Two-thirds of the food we provide consists of highly nutritious fruits and vegetables.

With distribution centers in western, eastern, coastal and central Washington, Northwest Harvest reaches rural communities where people in need would otherwise go hungry. We require that our partner food banks provide Northwest Harvest food freely to anyone in need, respecting our clients' dignity while serving their need.

Northwest Harvest is a 501(c)(3) non-profit organization. Donations are tax deductible to the full extent of the law.
