

IAFFF ORGANIZES COVID-19 TESTING FOR COMMUNITY

IAFFF organized the Covid-19 testing on July 13th, 2020 conducted by the Neighborcare Health from 12:00 noon to 4:00 pm at the HTCC parking lot. IAFFF partnered with HTCC and TIRANGA. This project was initiated by Dr. Sudhakar Shetty. Sudhakar coordinated with HTCC, TIRANGA and Neighborcare Health representatives. Himachandra, Nitya, Pragati, Sudhakar and Neighborcare were the key players for this project. It was executed very smoothly and flawlessly with the help of volunteers like Sudhakar, Himachandra, Pragati, Kamal. Devraj Sharma played a very crucial role for serving almost a whole day to make HTCC facility available for testing. A total 100 persons were tested from the community.

Thanks to all participant organizations and volunteers.
